Faculty

Miss Day's love of chewing gum and big bouquets.....Mr. Myers' stick, cuts and tricks.....Miss Reece's passion for coffee at 10:30.....Mrs. Reece's burnt biscuits and dusty floors.....Mr. Walker's pride in F.F.A. and volley ball.....Mr. Gillespie's Boonville Colliseum.....Mr. Hunnicutt's trials, bandages and time lines.....Mr. Martin's cigars and suspenders.....Mr. Chambliss' satchel and fruit.....Mrs. Coram's headaches over the annual... All these we recall about our teachers, but we, too, remember their sincere interest in us and their desire to see us do well in school and in the future.

Three Years down and one to go...We press forward...occasionally looking back...Our pace quickens as we go...Our work is getting harder...Yet we know we are forming our future paths as we tread on these familiar grounds...We work and play together looking with bright hopes to the future...

YADKIN VALLEY CHAMPIONS -55

Front Row, left to right: Jack Stewart, Bill Sizemore, Bill Evans, James Matthews, Donald Moxley, Freddie Lakey, Fred Sparks. Middle Row: Jerry Simpson, Alvin Casstevens, Homer Wilhelm, Larry Bray, Buddy Smitherman, Charles Miller, George Sapp. Back Row: Keith Johnson, Johnny Mock, Sherrill Matthews, C.L. Dinkins, James Reece, Sherrill Casstevens, Alton Vestal.

Our baseball team played a total of 14 games winning 10 and losing 4. We won the Yadkin County Championship with a record of 7-1. Then we defeated Mt. Park for the Yadkin Valley Championship, which was the 4th time in the past 5 years we have won the championship. In the District Championship playoff, we defeated Eli Whitney of Alamance County, in the best 2 out of 3 games. We lost to Colfax in the Regional tournament, for the Western State play off.

IN APPRECIATION

During the year 1955-56 lights were installed on the Boonville School Athletic field. It is a fine addition to the school's physical facilities--one for which we are all justly proud. It makes it possible for athletic contests as well as other events to be scheduled at night, thereby affording a much broader privilege to many people. It is a much needed addition and should serve a good purpose for many years to come.

The installation of lights at Boonville was made possible by the efforts of many people, and to all those who helped to make this possible, we are indeed grateful. In the future years when the lights go on at night---floodlighting the field for contest--we may look back to those people who helped to make this possible.
